Dear Mr Barton *Rod*

Thank you for your email of 1 April 2019, regarding traffic management at the MCG. I apologise for the delay in responding.

VicRoads advises it has discussed your suggestions regarding traffic management around the MCG and Yarra Park precinct with the Melbourne Cricket Club (MCC). You may be aware that VicRoads, along with the Victorian Police, Public Transport Victoria (PTV) and the City of Melbourne meet quarterly with the MCC to discuss traffic management around the world-class Melbourne major events and sports precinct that includes the MCG and Melbourne and Olympic Parks.

The MCC coordinates all parking arrangements with the City of Melbourne for the MCG precinct. This information is then passed to VicRoads to assist with its planning of events. In addition, during selected major events, VicRoads' signal engineers monitor and adjust the traffic lights surrounding the MCG to optimise the safety and operation of the road network.

I understand that VicRoads has since forwarded your concerns and suggestions to the MCC and a meeting will be arranged with Mr Norm Dunn on your behalf.

Yours sincerely

Hon Jaala Pulford MP
