Subject: RE: Channel 31 broadcasting licence

Dear Rod,

Thank you for your letter to Michael O'Brien. We agree with you about the important role Channel 31 plays in Victoria's culture and society, so welcome on board. Two of our members raised this issue in the Legislative Council last year and we have separately raised the issue with the Commonwealth Government.

Yours sincerely

Hon David Davis MP | Leader of the Opposition in the Legislative Council
Shadow Minister for Transport, Infrastructure, Public Transport (Metropolitan); Priority
Elected to Parliament, 2010
